Correction

Omission in About the Cover Box. For the Cover Art article titled "Otto Dix (1891-1969): *Frau mit Kind* (1921)," published in the August issue of the ARCHIVES (2004;158:717), the About the Cover box in the Table of Contents should have indicated that the painting was reprinted with permission from Gemaeldegalerie Neue Meister in Dresden, Germany. The ARCHIVES regrets the error. This correction was made previously to online versions of this article.
